The beef tartare was amazing. Overall, the food tasted great. The washrooms were clean but the toilet was very low with a very high level of water a bit uncomfortable when using it. [read more](#). What [Lavada Funk](#) doesn't like about Katana on Bay:

Slowest services I've ever received at a Sushi restaurant. Prices are outlandish compared to what you can get at other places downtown TO. If you're looking here keep looking elsewhere. [read more](#). In the kitchen of Katana on Bay in Toronto, traditional menus are prepared with original Asian spices fine, and a lot of fresh vegetables, fish and meat are used to prepare **healthy Japanese dishes**. The delicious *Sushi such as Maki and Te-Maki* however, is the undisputed highlight of this restaurant, Furthermore, the customers love the successful combination of different dishes with new and partially experimental ingredients - a good example of successful Asian Fusion.
