In Church Aperitivo Bar, a restaurant with Italian dishes from Toronto, you can expect **original Italian cuisine**, including classics like [pizza](#) and pasta, The sugar-sweet desserts of the local also shine not only on children's plates and in children's eyes. Without doubt, the right drink enhances every meal; with this thought in mind, this *gastropub* offers a rich selection of delicious and local alcoholic beverages like beer or wine, You can take a break at the bar with a [cool beer](#) or other alcoholic and non-alcoholic drinks.
