we have had the steak, the lamb, the liver, the chicken, the pasta, the cod, and the salmon. First of all, I can't believe how consistently hot the food arrives home from the restaurant. The steak was rare- medius, m rare, exactly as ordered. Every sauce or...jus of some kind had been stellar. there is nothing on their menu il am not prepared to try... as i am convinced that everything will be top notch. [read more](#). In pleasant weather you can even eat in the outdoor area, and there is no-charge WLAN. Nord Bistro Inc. from Toronto is a good option for a bar if you want to have a beer after work and sit with friends or alone, look forward to the typical delicious French cuisine. The atmosphere of the typical American Diner makes the meal an unforgettable event, the menu also includes *delicious vegetarian dishes*.
