Arrived late with my wife, Nicholas accommodated us and took great care of us all night. Perfect relaxed atmosphere great wine list, allowed us to sit back, relax and slowly enjoy the charcuterie and cheese plate. Service was exceptional! [read more](#). In nice weather you can even eat in the outdoor area, and there is free

WLAN. What [lenbelos](#) doesn't like about Petits Creux & Grands Crus:

I would not recommend this bar as a dinner family place, Its a bar that serves expensive snacks (appetizers) for wine or beer. Tables located very close to each other not comfortable to sit, no privacy at all. Food not tasty. It looks and taste like canned food, Suspicious mashed salads with bad taste. Even bread was burned and black. [read more](#). The Petits Creux & Grands Crus from Québec provides various **flavorful seafood courses**, Easy digestible Mediterranean menus are also on the menu. You can still relax at the bar after the meal (or during it) and enjoy a alcoholic or non-alcoholic drink, Particularly with the bite-sized Tapas, you can't absolutely nothing wrong, because there is something for all tastes.
