Wow! Never heard of a breakfast [pizza](#), but Mikes knows how to put one together. Such a delicious meal. Well assembled and not super greasy considering the meat on board. My Hubby got a linguini carbonara (small) and he had never seen... a restaurant is so generous with bacon. He also loved his meal. Great service and great food! Wish we visited Quebec more often: [read more](#). When the weather conditions are good you can also eat and drink outside. What [Silas Ernser](#) doesn't like about Mikes:

The one time we went was really bad it took forever to get our food (not even busy) The waitress wasn't pleasant and the ambiance very bad. Will never go back there again I feel bad that I was the one saying we should try it.

Lots of people I know had bad experience over there [read more](#). In case you're craving some seasoned South American cuisine, you're in the right place: delightful menus, prepared with fish, [seafood](#), and meat, but also **corn, beans, and potatoes** are in the menu. It shows that the typical Canadian dishes are well received by the visitors of the restaurant. Of course, we must not forget the comprehensive variety of **coffee and tea specialties** in this restaurant, and you will find genuine [Italian cuisine](#) with classics like [pizza](#) and pasta.
