On this site, you can find the **complete [menu](#) of The Out-Back Restaurant & Lounge** from Woodstock. Currently, there are **16** menus and drinks available. Despite some mixed reviews, our comprehensive experience of dining at this hidden gem located behind a mattress shop was quite enjoyable. While some guests may have had issues with slow service, burnt food, or the somewhat odd location of the restaurant, we found the food to be delicious and cooked to order. From beef tenderloin to chicken parmesan, the dishes were presented nicely and met our expectations. The service was generally friendly, the owner was laid-back, and the atmosphere was pleasant. While the location may be out of the way, the menu offers a great selection of dishes at reasonable prices. Overall, this restaurant offers a locally owned alternative to chain eateries, and is definitely worth seeking out for a great meal and friendly service.
