Here you can find the [menu](#) of The Blackhorse in Toronto. At the moment, there are 19 meals and drinks on the food list. You can inquire about seasonal or weekly deals via phone. What [Eric L](#) likes about The Blackhorse: Something of an oasis opposite Long McCuade music. Particularly pleasant on a warm day with the front windows open or on the back patio. Easy accommodation of a group that likes to come on July 19. Nice selection of beer and pub food, reasonably priced. [read more](#). What [Malliano](#) doesn't like about The Blackhorse: We are a group of regulars who often go after work to the Black Horse and usually have great service. The patio in the summer is a particular treat. Last night our group were enjoying a few drinks as usual and after a couple of rounds saw that our server was watering down the wine with an odd apple juice/soda water combination. When called on it, he denied it, even when saying we clearly saw him and showing him that... [read more](#). During a meal, a good drink is essential. In this **gastropub**, you not only get delicious meals from the menu but also a comprehensive and particularly good diversity of *good beers and other alcoholic beverages* that go well with the food, You can also unwind at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks. With fresh fish, meat, as well as beans and rice, here they also **South American** grill, Naturally, you can't miss out on the scrumptious burgers, which are accompanied by sides like fries, salads, or wedges provided.
