The menu of Sunset Grill from Scarborough includes **141** meals. On average, meals or drinks on the card cost about CA\$16. The categories can be viewed on the menu below. What [Jan L](#) likes about Sunset Grill: COVID safety measures they enforced mandatory masks, hand sanitizer at the entrance, contact info for tracing, single use ketchup packets, and tables were spaced out with some tables NOT being used in between. In nice weather you can even have something in the outdoor area, And into the accessible spaces also come visitors with wheelchairs or physical limitations. What [Bigby Eats](#) doesn't like about Sunset Grill: Not worth the price. Food is too expensive for what they give and it's poor quality. Would rather visit Perkins in Pickering. I find that Sunset servers are mediocre compared to Perkins, though I only like the two servers Madonna and Bethany. It seems that the quality and amount of food decreases as the prices increase. Go to Perkins, you'll find the food better and you feel like family there!!! [read more](#). Sunset Grill, popular for its original Canadian dishes, uses ingredients that are typical of the country, The barbecue is freshly **grilled** here on an open flame. Surely, it's also a nice experience to feel like in the [Wild West](#) once, to drink and sample like the cowboys or even the bandits with a beverage or two paired with onion rings and a nice spicy burger, The visitors of the establishment are also thrilled with the extensive variety of differing *coffee and tea specialities* that the establishment offers.
