The menu of Darcy's Cafe from Vancouver includes **110** dishes. On average, dishes or drinks on [the card](#) cost about CA\$9. The categories can be viewed on the menu below. What [Cordelia Bosco](#) likes about Darcy's Cafe: I brought a visiting colleague for breakfast to Darcy's Cafe. This is one of the few places in Vancouver that opens early on a week day (they open at 8.30am) We ordered espresso, orange juice and eggs Benedict. My eggs Benny with shrimp were fantastic, fresh and tasty. I was also impressed by their coffee because it is generally difficult to find good espresso outside specialized cafes. [read more](#). The restaurant offers complimentary WiFi for its visitors, Depending on the weather conditions, you can also sit outside and eat. The rooms on site are accessible, and therefore no problem for guests with wheelchairs or physiological limitations. What [jimena Zuleta Soriano](#) doesn't like about Darcy's Cafe:

The food and service was really bad. Bananas in our waffles were stale, when I asked server about it she said it's natural part of the banana the service wasn't satisfactory either. I wouldn't recommend coming here. [read more](#). If you want to satisfy your cravings for *something sweet* the French way, you can gladly try one of the many different **fine crêpes**, It's worth mentioning that the typical Canadian dishes are well received by the guests of the local. Would you rather enjoy the food at home or at a special place like a celebration? Thanks to the in-house catering, that's no problem, The customers of the establishment also consider the extensive selection of differing coffee and tea specialities that the restaurant offers.
