What [chris d](#) likes about White Spot: My host recommended this place. Originally, I was not happy with his choice, as my last few trips to White Spot (not this location) have been somewhat blah. And, it often seems to take FOREVER to get the bill and pay it. Forever! Not this time things were quite different. Even though it was a sunny Sunday afternoon, and very busy, we were greeted in about five minutes, and shown to a table right away. Both the burger... [read more](#). The diner is accessible and can therefore also be used with a wheelchair or physical disabilities, and there is complimentary WLAN. If the weather conditions are right, you can also have something to eat outside. What [Blair Goldner](#) doesn't like about White Spot:

We've been visiting this White spot for decades. I usually order the monty mushroom platter, my favourite. Unfortunately the service at this restaurant doesn't feel authentic. It seems everything is forced. We could sense that our waitress at our last visit had a bad day, and she kept screwing up on our order. and seemed apologetic, but didn't really know how to accommodate our frustration at the delayed service (we...
