A **comprehensive [menu](https://menuweb.menu)** of **Cora Breakfast & Lunch** from Edmonton covering all **21** meals and drinks can be found here on the food list. Cora's Clareview was once a beloved spot for breakfast, brunch, and lunch, known for its exceptional service and quality food. However, recent reviews tell a different story. Some customers have experienced long wait times, botched orders, and hair in their food, leading to deeply disappointing experiences. There have also been complaints about extra charges not being mentioned by servers. On the positive side, the food is generally well-liked for its taste and presentation, with a focus on fresh fruit. The friendly staff and vibrant atmosphere are also appreciated by many patrons. While some visitors have had mixed experiences, others still find Cora's to offer good value with fast and friendly service. Ultimately, the restaurant seems to have had a decline in quality compared to its earlier reputation as a go-to spot for a satisfying meal.
