The sushi at this restaurant is probably the best I have ever had. The selection is massive and it is so delicious.

They do takeout and dine in. However the restaurant is often very busy and wait time to get take out can be hours. It is not all you can eat so it is more expensive but definitely worth the price for the quality and taste. [read more](#). The place also offers the possibility to sit outside and be served in pleasant weather. What [User](#) doesn't

like about Ikiru Sushi:

this place was pretty good. I had the sushi and sushi lunch and also ordered a rainbow roll that was too much to eat. the sashimi is a bit too thick for how I like, but it was really good. I'd eat here again, probably. would not eat in the restaurant, although it is not a great atmosphere. [read more](#). Ikiru Sushi from Fergus is a suitable bar to a cocktail after work, and sit with friends or alone, Especially fine are also the Sashimi and specialties like Inside-Out from this establishment. fresh vegetables, fish and meat are the main ingredients in the easily digestible

Japanese cuisine of Ikiru Sushi, Besides, the inventive blend of different menus with new and partially adventurous ingredients is appreciated by the customers - a beautiful case of Asian Fusion.
