We were visiting the SUNshine Coast and asked some construction fellows to recommend a restaurant or two. They told us Golden City had fresh ingredients, large portions and excellent prices. We went and loved the food; it was just as they said. [read more](#). The restaurant offers complimentary WLAN for its visitors, Depending on the weather conditions, you can also sit outside and be served. The premises on site are accessible, and therefore no problem for customers with wheelchairs or physical limitations. What [Canuckfisher](#) doesn't like about Golden City Restaurant:

Ordered 3 dishes for takeout....all were bland, mediocre, and poorly executed...what you expected in small B.C. towns 25 years ago. It is too bad as Sechelt could use a decent Chinese resto....the ambience inside was modest to the extreme. Certainly, other better choices available for Asian food e.g. All Thai'd Up etc. don't waste your money here. [read more](#). In Sechelt, traditional courses are prepared in the kitchen of Golden City Restaurant with typical *Asian spices scrumptious*, The atmosphere also makes the consumption of typical Western dishes and drinks an unforgettable experience. The *versatile, exquisite Chinese cuisine* has many followers among guests, Furthermore, the guests love the creative combination of different meals with new and partially experimental products - a good example of successful **Asian Fusion**.
