We first ate their food as food delivery with my 8 family members in their branch in downtown Vancouver. Then a Taiwanese local invited us back to eat in their original branch in 2808 Commercial corner 12th Street. We were a party of 15. Excellent food. From the ginger pork - to the 3 way Peking duck - to the string beans - beef with broccoli. This is a must try when in Vancouver. [read more](#). The diner is accessible and can therefore also be used with a wheelchair or physical limitations, Depending on the weather conditions, you can also sit outside and be served. What [newkn](#) doesn't like about Chongqing Restaurant:

We had delivery. It arrived quickly but the food was really disappointing. The deep fried prawns were so overcooked it was almost impossible to cut. The General Tso chicken was also overcooked but edible. The rest of the meal- egg rolls, chicken fried rice and lettuce wrap was a 5 out of 10. The freshest part of the meal was the lettuce for the wrap. I will not be ordering from here again. [read more](#).
