Another family dinner that was fabulous. You can have your traditional dishes or there is always something new to try; a little twist to make it new but authentic. We like to go earlier, like around 5/530. That way you get a parking spot at this really popular place. Any always make a reservation! This time we tried some homemade deep fried tofu - I did not want to share. And the oysters were simple and yum as usual. [read more](#). What [Kevin](#)

[Zhipeng Li](#) doesn't like about Eastern Fortune Restaurant:

\$75.00 for a takeout of fried rice, fried noodles, and black pepper beef (onions w/beef? . Outrageous pricing for what we got. And... food quality??.well, I would return the food and ask for my refund after a very first bite, if I could.Fired rice had no consistency on the ingredients, hoping it wasn't some leftover ingredients scrambled together?Pepper beef had LOTS of onions, and sauce was very very watery (maybe could add a bit starch making it thicker next time? We are not looking for authentic Chinese food, but this is far from western Chinese cuisine too. HONESTLY, i feel the credibility of some Google reviews are pretty questionable on this one. In Eastern Fortune Restaurant from Calgary, expect **versatile, delicious Chinese cuisine** that's authentically cooked in a wok, and you can look forward to the tasty traditional [seafood](#) cuisine. If you'd like something sweet for dessert, Eastern Fortune Restaurant does not disappoint with its good *selection of desserts*, The menus of this establishment can also be ordered at home or at the festival thanks to a **catering service**.
