What [User](#) doesn't like about Pita Pit: We group of us ordered lunch last week and unfortunately there were several errors in the order. We clearly wrote out each persons order but the final results were not what was ordered including one pita with pineapple and hot peppers that were not ordered. We compared our hand written order with their order sheet- they gave us both when we picked up the order and it wasn't even close except for the persons name. If... [read more](#).
