What [User](#) likes about Boston Pizza:

I have been to many Boston Pizza's since I like the food so much. This one is by far the best because of the staff. Stephanie C is the one I go to see on a regular basis. She always makes my experience the best and greets me and my friends as soon as we come in. Definitely spend a lot of time at this location and recommend you do as well. [read more](#). about Boston Pizza:

I tried ordering take out for my family (with children) at 6 different places. None of them helped or tried to get the right location. I called the Boston pizza helpline and to no avail I was brushed off. Never got my food and had to go elsewhere for business. Worst restaurant for customer service. I will never go here again. I would rather eat my right foot than eat here ever again. Would not recommend. [read more](#).
