If you are looking for a gluten free meal, made with fresh ingredients with a gourmet feel - this is your spot! I was here on business and had no problem having great meals - Pan Fried Chicken was my favourite and indulged in an amazing god dessert (which doesn't often happen). Service was friendly and prompt and there was no issue with walk in seating. [read more](#). As a guest, you can use the WiFi of the restaurant free of charge, And into the accessible rooms also come clientele with wheelchairs or physical disabilities. If the weather conditions are right, you can also eat and drink outside. What [User](#) doesn't like about The Office:

I've eaten here a couple times and have never had a bad experience with the food. They have a good variety of items. The service isn't that great and is quite slow, especially considering we were the only people in there give or take 1 or 2. The food is also a little pricey for lunch. [read more](#). If you want to try tasty [American meals like burgers or barbecue](#), The Office from Grande Prairie is the place to be, The traditional Canadian menus are well received by the customers of the establishment.
