What [User](#) likes about Eco Cafe:

Stopped in for a late lunch! Very quaint, clean and friendly! I am Celiac and was happy to see items on menu other than salad! They also have a couple of pastries that are gluten free to cure that sweet tooth. Their pastry and breads are baked fresh on site except the gluten free! Highly recommend this place! [read more](#). The restaurant also offers the possibility to sit outside and be served in nice weather, and there is no-charge WiFi.

The rooms on site are accessible, and therefore no problem for customers with wheelchairs or physiological disabilities. What [User](#) doesn't like about Eco Cafe:

Arrived 35 minutes before close and were rudely turned away at the door, if that is how customers are treated they won't be in business much longer. Not only a loss of our business, but we won't have a problem letting others know as well. [read more](#). At Eco Cafe, tasty dishes from international cuisine are freshly prepared for you, here they serve a diverse brunch in the morning. If you have not much hunger, you can treat yourself to one of the fine *sandwiches*, a small salad or another snack, there are also delectable vegetarian meals in the menu.
