We have been coming to Flavours of India for several years now. Always great food, be it buffet or from the menu. Equally as important is the best service. Seriously, this place is good, and I'd bet on it staying that way! Kid friendly (our 3 and 9 month olds have grown up on this food) and accommodating! Favourite dishes: Shahi Paneer and zucchini masala. [read more](#). The premises in the restaurant are wheelchair accessible and can also be used with a wheelchair or physical limitations, Depending on the weather, you can also sit outside and eat.

What [User](#) doesn't like about Flavours Of India Restaurant & Sweets:

We usually order this food and eat it in our home. I usually order chana masala, a meat dish of some type, samosas, chana masala, naan, and rice. The taste is good but it is a bit heavy on the salt. The quantity of the meat in the meat dishes is a bit disappointing (e.g., butter chicken, tandoor chicken and lamb that we ordered on separate occasions) but it tastes good. [read more](#).
