What [User](#) likes about The Kiln Drive-In: Now that summer is here, I've been craving hard ice cream and this place did it great. Lots of selection and great price for the huge scoops you get. It was a meal all on it's own. They also serve other ice cream treats and typical window fast food (like burgers and fries), but I can only comment on the ice cream. I will definitely be back. The Kiln Drive-In:

Hamburger buns were very dry, seems to be a common complaint. Homemade fries where nicely done but gravy was super salty. Both were tasty, prices are a tad above average for this sort of restaurant. We would go again for the convenience factor alone and to sit outside on a nice summer of early fall day. They are pet friendly for their outside picnic table are which is a nice bonus.
