[User](#) likes about Delhi Bistro:

The Delhi Bistro is our go-to whenever we order in Indian food. You can order on-line, the food is consistently delicious, arrives hot, well wrapped, and arrives when they say it will arrive. (Caution: delivery times are long but they're up front about that. Excellence takes time.) [read more](#). In nice weather you can even eat and drink in the outdoor area. What [User](#) doesn't like about Delhi Bistro:

love it when Asian cuisine meets a bit of creativity. That's exactly what you can expect at the Delhi Bistro from Toronto, with its *unconventional Asian fusion cuisine* - the perfect blend of traditional meets the adventurous world of fusion cuisine, One also prepares meals deliciously and freshly with original Indian spices. Of course, we must not forget the comprehensive variety of coffee and tea specialties in this restaurant, on the menu there are also a lot of **Asian menus**.
