What [User](#) likes about Bolsa Restaurant:

This is the best and healthy. The owner cares what you eat and always does her best. Not to mention there is no MSG. The other restaurants say they need to put it in for taste it's a crock. Her food taste good without it and I don't have to have migraine after I eat. I love my shrimp salad roll with basil and cilantro upon request. I like crab, shrimp and pork with rice noodle. My husband loves the beef and beef ball... [read more](#). The diner and its premises are wheelchair accessible and thus usable with a wheelchair or physiological disabilities, Depending on the weather conditions, you can also sit outside and eat. What [User](#) doesn't like about Bolsa Restaurant:

My food was bad, the spring rolls had no flavour and were full of grease. The worst part of the experience was getting harassed by the owner when I was honest with her when she asked if I liked my meal. She would not let up on trying to convince me that the problem was not with the food but with my tastes. She kept trying to convince me to order something different next time. Believe me, there will NOT be a next time... [read more](#).
