No Frills type of place. Just fresh ingredients and quick service. You are in and out in 5 mins. Great deal after 4pm (2 large burritos for \$15), your choice of chicken, beef, steak... all good. Service was good and quick. Lots of topping options. I'm glad we decided to try it. [read more](#). What [B Patel](#) doesn't like about Burrito Fresh Mexican Grill:

Tries to be so cheap while adding cheese and veggies have to actually ask for extra and then they say it will be a extra charge. All she added was a pinch of cheese and little beans, i had to ask for extra where she mentioned me of extra charge and i was fine to pay ad pinch of cheese in burrito bowl is not enough. She was little rude when asking to add extra extras. [read more](#). Get excited about the diverse, tasty Mexican cuisine, which is traditionally cooked with corn, beans and chilies (hot peppers).
