On this homepage, you can find the **complete [menu](#) of Burgarnator** from Toronto. Currently, there are **35** dishes and drinks available. Each burger at The Burgernator is hand crafted, made with a custom blend of freshly ground chuck beef sourced locally. Our sauces and aiolis are prepared in house, and our hand-cut fries are seasoned every morning. We do not cut corners and we do not mess around. The Burger is our weapon and the city is our battlefield. Join us in the fight against half-hearted burgers, processed cheese, and questionable toppings.
