Visited China Garden with my family. Kids loved the singapore noodles and sweet and sour chicken. We ordered the Chilli Chicken and Manchurian Chicken. While the place is not very high class, the food is definitely high end.

Strongly recommend the Manchurian Chicken and Chilli Chicken. Good take out place. [read more](#). The restaurant also offers the possibility to sit outside and be served in nice weather. What [User](#) doesn't like about China Garden Restaurant:

Long established establishment has taken its service and food for granted. Unaccommodating client requests resulting in rudeness will bring the business down; yes the food is much better than the two Hakka restaurants across the road but nothing in business should be taken for granted....Seating etc not impressive; prices higher than similar restaurants. Would not be my choice when in that area. [read more](#).
