This restaurant is always an excellent choice. The food is delicious and staff very friendly. My cousin told me about it and I tell others who enjoy great food. Cheers! [read more](#). When the weather is nice you can also eat outside, And into the accessible spaces also come visitors with wheelchairs or physical limitations. WiFi is available at no extra cost. What [User](#) doesn't like about Manouche Express:

4 persons who had ordered after me, one who had ordered for three persons were served before me! My lens soup was solid, like hot pudding and over seasoned with Cumin the beef-shawarma wrap was just enough, I was very disappointed and not even an apology for taking my order to the other. The comprehensive variety of **coffee and tea specialties** greatly enhances the value of a visit to Manouche Express, Additionally, easy digestible Mediterranean menus are on the menu. Without doubt, the right drink enhances every meal; with this thought in mind, this **gastropub** offers a large range of fine and regional alcoholic beverages like beer or wine, The visitors also rave about the fine, airy flatbread that can be dipped into the homemade hummus or a yoghurt dip; the intense combination of figs with goat cheese is also one of the favorites from the diverse cuisine of the Middle East.
