This place is awesome; the service is fantastic and the food is the most comparable to authentic greek food I've had. They can also provide substitutes for dietary preferences, just ask them and they're happy to help! The food is not greasy and you feel great after eating it (albeit very full). I eat here regularly and the food is always consistently delicious. Would definitely recommend :) [read more](#). The place also offers the possibility to sit outside and be served in beautiful weather, And into the accessible spaces also come guests with wheelchairs or physiological disabilities. What [User](#) doesn't like about Paros Souvla Inc:

Came here after reading all the great reviews, food is highly overrated. Only good thing was the calamari. Chicken souvlaki was really dry, grilled vegetables were very greasy along with the greasy pita bread. I didn't even think you could make greek food greasy. Have had better at a food court Opa.
