On this site, you can find the **complete [menu](#) of Shandra's Roti Shop** from Mississauga. Currently, there are **21** menus and drinks available. Shandra's restaurant offers Trinidad/Jamaican cuisine in an industrial area, catering mostly to takeout orders. Despite some mixed reviews regarding the portion sizes and wait times, the food is generally praised for being very tasty and reasonably priced. The roti dishes are particularly popular, with the jerk chicken and goat/oxtail dinners receiving high recommendations from regular customers. The plantain side dish is also highly recommended. The only caution given is to avoid ordering the roti dish as "hot" as it is extremely spicy. Overall, Shandra's seems to be a hidden gem worth checking out if you're in the area and craving some flavorful, Caribbean-inspired dishes.
