Great menu. Chefs know what they re doing and staff have a passion to give you great quality. Chai tea, lamb curries, Tika Masala were excellent. What User doesn't like about Savera Indian Cuisine:

The service is really very bad, the waiter just stands there. He didn't know how to speak as well. When the food was brought it, some of the dishes had stains of previous food on them, and when I pointed this out to the waiter, he just wiped it off in front of us with a napkin. Totally disgusting. And after such unhygienic behaviour, I don't think I could eat the food. [read more](#).
