Awesome Punjabi food served fresh and with courtesy. Good portion size as well. We had macchi (fish) fry from starters, which was great. The vegetarian dishes like saag (they can do without paneer if you wish) and amritsari daal (with melting butter) were wonderful as well. It is little far from downtown, but for us, it was worth the taxi ride. [read more](#). In nice weather you can even be served in the outdoor area. What [User](#) doesn't like about Curry Twist Restaurant:

The paneer twist in [vegetarian](#) option was flavourful. The paneer was not fresh. We liked the chicken tikka masala in appetizer the chicken was very tender. The roti was good. The chicken masala and the paneer twist both tasted the same. I visited this place two years ago, the quality was good since then the quality has certainly gone down. [read more](#).
