What [User](#) doesn't like about Indian Flames:

The food here is all right for traditional Indian cuisine. Tried to stay close to home one evening so we tried it out. Some prices are a bit steep for the portions you get but only on certain dishes. Flavours were great and staff was friendly. Atmosphere is grimey to me but it works. [read more](#). A visit to Indian Flames is particularly valuable due to the comprehensive range of coffee and tea specialties, Dishes are also prepared here, tastily and freshly with typical Indian spices. You can also look forward to *fine* [vegetarian](#) cuisine, The barbecue is freshly **grilled** here on an open flame.
