Roy's restaurant in Tsawwassen has received mixed reviews from its customers. While some found the food disappointing, with dishes like the lamb korma and chana masala being described as bland and watery, others praised the restaurant for its friendly staff and delicious food like the butter chicken and malai curry prawns. The portions were noted to be generous, but some felt that the prices were high considering the serving sizes. However, the overall consensus seems to be that Roy's offers a pleasant dining experience with unique dishes and a welcoming atmosphere.
