The food was so good and the service great. It took a little longer than we anticipated so next time I wouldn't take so long to decide what to order. The decor inside was much more appealing than the outside suggests. Give it try! [read more](#). The place also offers the possibility to sit outside and eat and drink in beautiful weather, And into the accessible rooms also come customers with wheelchairs or physical disabilities. What [User](#) doesn't like about Tandoori Grill:

There aren't that many takeaway Indian restaurants in the SW of Calgary and for that reason this is a good dive. The menu is somewhat limited, especially if you are vegetarian. The paneer tikka though is really good. Wouldn't recommend it for students or those on a budget, but comparable to other Indian takeaways its reasonable. Check out my other reviews for Indian takeaway options for those on a budget !! [read more](#). Are you looking for sweets?
