What [User](#) likes about Moxie's Grill & Bar: We went to Moxie's after seeing it had a good rating in TripAdvisor. We shared some small plates, had two small salads and shared a bottle of wine on 1/2 price Wednesday. Our first plate was Korean fried cauliflower. The tempura-ed cauliflower was rendered tasteless by the sauce that also smothered the crispness of the batter. Not a good start. The tempura calamari was much better than the cauliflower since the sauce... [read more](#). The restaurant also offers the possibility to sit outside and have something in pleasant weather, and there is free WLAN. The premises on site are accessible, and therefore no problem for customers with wheelchairs or physiological disabilities.
