Here you can find the [menu](#) of **Gaucha Barbeque** in Calgary. At the moment, there are **23** courses and drinks on the card. Gaucha Brazilian Barbecue is located conveniently on busy Macleod Trail. Gaucha means cowboy and refers to our chef and owner Edmilson Rodrigues. Ede comes from the land of the Gaucha in the south of Brazil and has spent a lifetime introducing his food and culture to his guests. In our restaurant we feature a style of dining made famous in Brazil called, 'Rodizio'. Rodizio dining is like nothing you've tried before. To do it properly, budget an evening – or at least a few hours – and come hungry! Your barbecue chef of the evening will come around with massive churrasco style skewers, each with a tender cut of the day. Meat will be sliced straight to your plate, and it won't stop till your table turns its card over to display the red side. To compliment your barbecue we feature hot and cold side dishes on our side bar. Our side bar is always changing to assure that our food is fresh and in season. Staples on the side bar include feijoada, the national dish of Gaucha Brazilian Barbecue and bocconcini cheese made fresh weekly by local craftsmen. We recommend you try one of our traditional cocktails to 'open your stomach' as Brazilians say! Remember to leave room for dessert like our traditional milk flan or the famous Barbecue Pineapple served on coconut ice cream and topped with guava sauce we call it the 'Crowned King'! Gaucha has something for everyone! Come taste the experience!
