The restaurant from London offers 176 different dishes and drinks on the menu at an average CA\$14. What [User](#) likes about Shiki Restaurant:

We travelled all the way from Hong Kong to London with our children to show them our university. We went to Shiki as students and was so glad to see them still here! The food is good and we were all happy with our meal! Great job Shiki! [read more](#). The place also offers the possibility to sit outside and eat and drink in nice weather,

And into the accessible spaces also come visitors with wheelchairs or physiological limitations. What [Alberta Walter](#) doesn't like about Shiki Restaurant:

good food at an acceptable price but carpet in a restaurant in 2017 just can not see. it would take little to make a place, among other things small, nice and cozy. [read more](#). Shiki Restaurant from London prepares for you tasty sushi (e.g., Nigiri and Inside-Out), as well as in many other variations, with fresh ingredients like fish, vegetables and meat, and it's made with lots of freshly harvested vegetables, fish and meat, **healthy Japanese meals** cooked. The *Asian fusion cuisine* is likewise an important part of Shiki Restaurant. Anyone who finds the everyday and generally known dishes too ordinary can here approach with a willingness to experiment and try some exciting combination of ingredients consume, On the daily specials there are also several **Asian meals**.
