What [User](#) likes about Lester's: A friend who used to live in Montreal told me to come here rather than to the more popular place (particularly for tourists). The restaurant also offers the possibility to sit outside and eat and drink in pleasant weather, And into the accessible spaces also come clientele with wheelchairs or physical disabilities. What [User](#) doesn't like about Lester's: slightly rude service at first which seemed to improve but ultimately unwelcoming. There is better for smoked meat (see Schwartz's Deli) which makes you wonder ... why go to Lester's Deli? [read more](#). Feeling as if you're in Hollywood once, and to consume the experience; that's not unusual in this lovingly decorated diner, Additionally, you save time with the variety of prepared delicacies without having to skimp on enjoyment. Not to be overlooked is also the extensive selection of coffee and tea specialties in this locale, The typical Canadian meals are a hit among the visitors of the local.
