What [User](#) likes about Tundra Inn Lounge:

Great location and friendly staff. Great having the pub right across the street. Food was excellent! Staff very helpful in choosing daily activities when we were unsure of how to schedule out day. Ability to have late checkout worked well with train schedule (and train is walking distance). [read more](#). The restaurant offers free WiFi for its visitors, And into the accessible rooms also come customers with wheelchairs or physical disabilities. If the weather are right, you can also be served outside. What [berry_yj](#) doesn't like about Tundra Inn Lounge:

The Tundra Pub has made a bad reputation summer 2022 for closing whenever the servers and bartenders see fit. The comprehensive range of coffee and tea specialties greatly enhances the value of a visit to Tundra Inn Lounge, here they serve a *comprehensive brunch* in the morning. The burgers of this restaurant are among the highlights and are usually served with filling sides such as French fries, salads or wedges, You can also unwind at the bar with a **freshly tapped beer** or other alcoholic and non-alcoholic drinks.
