Stopped by for a quick snack, my hubby was starving and needed something to hold him over. We stopped by la taqueria and checked out the menu. My husband ordered 3 chocolate mole tacos; AMAZING!! What [User](#) doesn't like about La Taqueria:

3 tacos each and a small soft drink came to over \$50 for 2, without tips in a run down area of Hastings st. For a basic eatery this was too much. The place is designed for a quick meal/ turnaround with bar stool chairs and a pre-pay service, but they charge you like its a mid-priced restaurant. The tacos were tasty to be fair, but I've had equally tasty tacos from other places in Vancouver. I went because of all the 5* reviews and ratings, but I came away quite disappointed. For me it was a 3* or maybe 3.5* at best. La Taqueria from Vancouver, is a local that brings traditional **sweet and hot Spanish meals** to the table, **delicious vegetarian dishes** are also in the menu available. Among the guests, the *versatile, tasty Mexican cuisine* is also popular, in which mainly corn, beans and hot peppers are used.
