We were desperate for food that was either bland or terrible during our recent trip to Inuvik and Alestine's was fabulous. The fish tacos were great. My son LOVED his bison burger and my husband raved about his fish and chips. The restaurant is a...cute little building that seats the kitchen is in an adjacent school bus and the woman who runs the operation is lovely. A definite [Inuvik](#) food highlight! [read more](#). The restaurant also offers the possibility to sit outside and be served in nice weather. What [User](#) doesn't like about Alestine's:

We heard about this place and its uniqueness-but did not realize the set up was not doable for me-but we ordered to go-they do not usually do this-made an exception-but we found the food greasy and not what we expected. Plus the food is cooked...in an old bus made as kitchen then carried into restaurant-very different-but an experience-and very busy. [read more](#). Alestine's from Inuvik is known for its mouth-watering burgers, to which crispy fries, salads and other sides are provided, The **magical** desserts of the restaurant also shine not only on children's plates and in children's eyes. You can still relax at the bar after the meal (or during it) and enjoy a **alcoholic or non-alcoholic drink**, and you can look forward to the delicious traditional seafood cuisine.
