What [User](#) likes about Lighthouse Picnics:

Absolutely spectacular experience. All natural freshly made food (salad, sandwich, dessert and fresh squeezed lemonade). You are provided a blanket and then find a beautiful spot to enjoy a relaxed picnic and watch the whales. There is a fairly long walk to the lighthouse but worth every step. You must book ahead and make reservations. [read more](#). When the weather conditions is good you can also eat outside. What [User](#) doesn't like

about Lighthouse Picnics:

The area is gorgeous and the lighthouse with restaurant, very cozy. The prepare picnic meals. The staff and the organization is terrible. Apart from the fact that we had to wait minutes to be attended (we were the in line), we were told...that without reservation we had to wait to be attended until no one with reservation was in the line. Apart from that, the rude sentence was "We already have reservations for today"... [read more](#). Are you looking for sweets? In Lighthouse Picnics you will find divine desserts that will certainly quench your cravings, delectable vegetarian meals are also in the menu available. Even if you're only not so much hungry, you can still treat yourself to one of the fine sandwiches, a small salad or another snack, It's worth mentioning that the traditional Canadian menus are well received by the visitors of the restaurant.
