If you're desiring some hot South American gastronomy, you're in the right place: delightful meals, roasted with **fish, sea creatures, and meat**, but also corn, beans, and potatoes are on the menu, and you can enjoy here fine American meals like Burger or Barbecue. Even if you're not so famished, you can treat yourself to one of the scrumptious *sandwiches*, a healthy salad or another snack, It's worth mentioning that the traditional Canadian dishes are well received by the visitors of the local.
