I've been to this restaurant about 10 times and the food has been excellent. I think there was one time the service was slow but the poor waitress got swamped by a full restaurant plus the patio. Other than that one time the service has been superb. The eggs benny last time was very good. If you are looking for a quiet place to eat with good food and service I highly recommend Doc Hollies Eatery. [read more](#). At Doc Hollies Eatery in Pouce Coupe, **delicious pizza** is baked oven-fresh using a time-honored method, It shows that the versatile *Canadian dishes* are well received by the guests of the restaurant. They also offer light **Mediterranean meals** on the menu.
