Owned and operated by a European cook, this is a relatively new bistro with real, good quality, comfort food. Cabbage rolls, schnitzels, perogies and home made soup, all fresh everyday. And, of course, European coffee. It offers a comfy atmosphere for a quiet lunch with friends or on a lunch break by yourself. I have eaten there many times with friends and found it quite enjoyable and relaxing. [read more](#). The restaurant offers free WLAN for its customers. What [User](#) doesn't like about Euro-Lex Bistro & Deli:

Dropped in to shop, buy dinner, and support local business. We were met with very poor service: disinterested to dismissive: unhelpful to unwelcoming. If you're craving some spicy South American cuisine, you've come to the right place: tasty dishes, prepared with fish, seafood, and meat, though **corn, beans, and potatoes** are also in the menu. In the morning a hearty brunch is offered here. Particularly for its **robust German cuisine**, including potatoes and salads served, the restaurant is known. You shouldn't miss the opportunity to try the delicate pizza, baked fresh in an original manner.
