A nice little restaurant with nice interior, and cordial staff. It seats 48 interior, plus about 18 on the terrace. I had the Thali plate with butter chicken, chick peas, rice, salad and naan bread, all very fresh and tasty. I live close by, but never got around to visiting until now. I'll definitely be going back, as they have quite a varied menu. [read more](#). When the weather is nice you can also have something outside. What [User](#) doesn't like about Dev Restaurant:

We found the portion sizes on the small size, except for the fish pakora, which was extremely generous. The chili chicken was tasty but not hot enough felt it had been rewarmed but didn't quite hit the mark. The bindi was nice, chewy though, I would have cooked it a little longer. We also had the shrimp tandoori which was very nice and the naan. Nice beer. [read more](#). At Dev Restaurant in L'Île-Perrot, a selection of fine dishes with original Indian spices and sides like rice or naan are freshly prepared, there are also **fine [vegetarian](#) meals** on the menu.
