What [User](#) doesn't like about Tandoori Grill:

As a fairly new restaurant in the area they seem to be doing quite well. I've ordered here a few times and the food is always delicious. My only complaint is the pricing is a bit high on some dishes. Be aware when you order Butter Chicken or similar it does not come with rice and you will have to order that separately at an extra cost. Delivery is a bit slow as well, your probably better ordering in and picking up. [read more](#).
