We've eaten at a good number of restaurants with our six kids, but none has combined the friendliness, culture, excellent food, cocktail/wine selection, and affordability as the Bicycle Cafe. The menu is impossibly eclectic, but somehow they pull it all off with aplomb. It's also a great place to just hang out for a while and chill with coffee or an excellent Negroni. [read more](#). In pleasant weather you can even eat in the outdoor area, and there is complimentary WLAN. What [User](#) doesn't like about The Bicycle Cafe:

The food here was well done, nicely prepared, and presented well. It came in good time and is reasonable value for the money. The service was grumpy. It was readily apparent that my buddy and I were not 'The Bicycle' type of people. This seems...to be a trend (I speak as a local resident) local people avoid the Bicycle as we are not good enough to eat there. [read more](#).
