A **comprehensive menu** of Whirligigs from Wallace covering all **31** dishes and drinks can be found here on the menu. Whirligigs offers a mixed dining experience. Some customers raved about the delicious homemade food, such as seafood chowder and lobster salad sandwiches, while others complained about poor service and disappointing meals. The menu is small but focused, with quality ingredients and friendly staff. The atmosphere is quaint and cozy, perfect for a casual meal or celebration. Highlights include fish cakes, burgers, and breakfast options. Overall, Whirligigs seems to have a lot of potential but may need to address consistency in both food quality and service to truly shine.
