Come to this *sports bar* and enjoy a variety of large and small snacks and meals while watching live football, tennis or Formula 1 games, because just eating and drinking is too boring! The typical Canadian menus are well received by the visitors of the local. You can still relax at the bar after the meal (or during it) and enjoy a alcoholic or non-alcoholic drink. In addition, the drinks menu that is offered in this established eatery is impressive. It offers a wide selection of beers from the region and the whole world.
